### **Watch the video for the day.**

**Focus Passage:** 2 Timothy 3:16 – (use Bible or Bible app)

1. What does this passage mean?

**Consider:** Have you ever told a story, only to find out someone else who was there has a different opinion as to what “actually” happened?

Why do you think two people can tell different stories about the same event?

Does one person have to be wrong? Can both be right?

**Compare:** Compare Mark 1:9-11 and Matthew 3:13-7

1. Make a list of the similarities and differences between these passages
2. Do the difference and similarities surprise you?
3. Do you think they make the Bible less trustworthy?

**Main Point: The Bible can be trusted not only because of its history, but because God is the foundation!**
