**Comprehension Check**

What is the number that shows up throughout this first chapter of Genesis?

Do you remember examples of where this number shows up?

What was created “extra” on the third day, and how does that relate to what was “extra” on the sixth day?

What was present in the dark chaos that preceded creation?

The six days of creation are paired up. Day 1 and day 4, day 2 and day 5, day 3 and day 6. What is created in those pairs? You can look in a Bible for the answer!
