A Time to Connect With Each Other Throughout The Week

## Questions Connected to our Scripture:

- What gifts do you think God has given you?
- How could you potentially use those gifts for building up the church?

## This Week's Scripture:

## “United”

### A Family Devotional

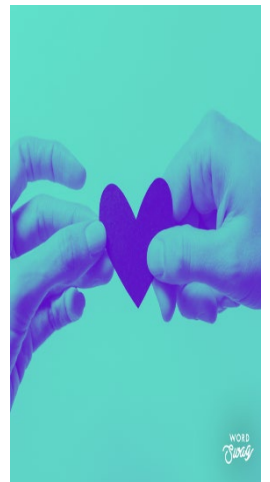

*Have you ever felt a little out of place? Felt like you didn't belong? Felt different than anyone else? You are not alone.*

*Have you ever thought that being different is actually a gift. A gift from your creator? This week we are talking about the Body of Christ. We all are a part of this unique body.*

*I encourage you to read 1 Corinthians 12: 12-27 all together. What are the unique gifts that God has given you and why do you think he has given you those gifts? We are called to use our gifts as a part of the Body of Christ and each and everyone of us is needed. We are also called to work together as the Body of Christ. I encourage you to celebrate that together this week.*

*Dear God,*

*Thank you for the unique gifts that you give all of us as a part of the Body of Christ. Help us to celebrate those gifts and to understand that we are all a part of the body and have something to share. In your name we pray, Amen.*

## Godly Play:

*Casting Crowns released a song titled, "We are the body." I thought it was very applicable to our message this week about being united as the body of Christ. Take a listen (by clicking on the picture) and the pictures that were uploaded to this song are child appropriate if you want them to listen and watch alongside you. Enjoy.*

*Do you like to walk? Do you like to talk? Come walk and talk with us as we walk to support and raise funds and awareness for families who are less fortunate than us. Depending on where these families live, food, water, shelter and emergency assistance may be provided to them because of the donations that are received. The CROP Walk will take place on Sunday, October 17<sup>th</sup> at 12:30. We will start and finish at Grace United Methodist Church. You can sign up to join the team [here](#).*
